FOR YOUR
SUCCESS

DONIT Tesnit Sealing technologies

As a leader in gaskets, gasket sheets, and advanced sealing technologies, DONIT Tesnit offers the optimum solution with a perfect fit for your most challenging sealing requirements. Backed by decades of excellence in understanding of sealing problems, extensive know how in application engineering, and consistent manufacturing of reliable high quality products, we are in position to respond quickly and efficiently to your inquiry.

WE ARE A TRUE PARTNER FOR YOUR SUCCESS

With a wide experience in problem-solving and unshaken commitment to high quality standards, we are dedicated to provide you the best service and products. In addition, through customer-driven innovation, our strong R&D team is qualified to successfully design the adequate sealing solution.

Our customer satisfaction rests upon four pillars:

- Complete production chain and international sales network
- Quality assurance and safety
- Application engineering
- Technical training courses and seminars

THE DONIT PHILOSOPHY

Our philosophy is based building long-term business relationship with our customers that extends across many sectors of industries. Customer satisfaction is our driving-force which is attained through the constant supply of reliable and high quality products embracing product improvement and support.

DONIT gasket support sheets and sealing solutions are high quality products which have received several industrial quality approvals. Our products support the environmental legislation without compromising their sealing performance.

EMPLOYEES

Over 200 employees dedicated to you:

We strive for permanent professional and personal growth. We promote teamwork and diversity.

Our international team supports you regardless your geographical location.

80% - Secondary school / technical school or lower

18% - Bachelor or equivalent

2% - Doctoral or equivalent

CERTIFIED QUALITY

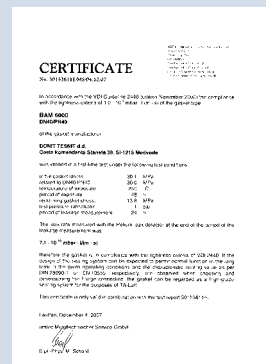

We assure high quality, environmentally friendly products to our customers. Quality and care for the environment is embedded in both our minds and our organization.

Care for the environment is embedded in our tradition. DONIT Tesnit is certified by international ISO 9001 and ISO 14001 standards.

We also ensure that product quality and safety is in accordance with a number of widely recognized international standards such as:

DVGW (DIN 3535-6, VP 401), SVGW (DIN 3535-6), DVGW KTW, DVGW W270, BAM, WRAS, TA-Luft (VDI 2440), API 6FA / API 607, ABS, Germanischer Lloyd

STRONG R&D, WITH A FOCUS ON INNOVATION

Well-equipped state-of-the-art laboratories coupled with a multidisciplinary R&D team and enhanced with external collaborations enable us to provide you with the optimized sealing materials or gaskets which meet your utmost challenging demands.

Excellent application engineering

We have experience in even the most demanding of industries from chemical and oil through to automotive and food.

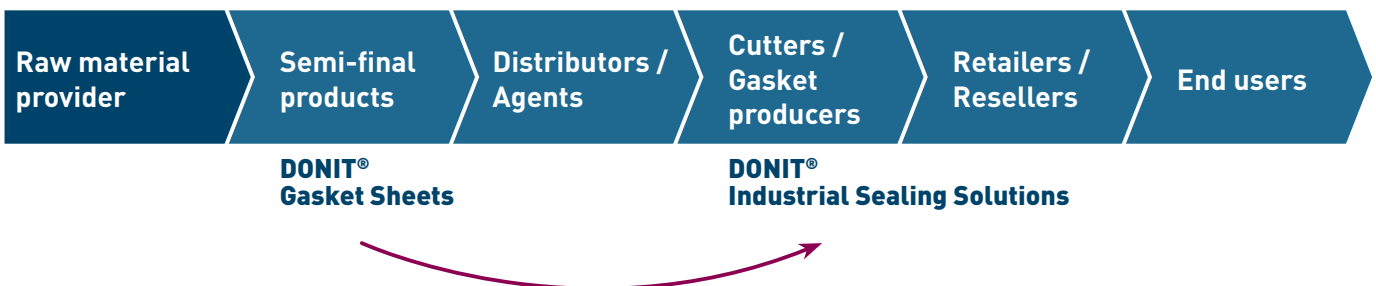

Training for our customers

The DONIT Tesnit Authorized Training Center offers intensive, interactive and case-driven educative courses to our customers. These theoretical and practical training courses provide the required knowledge for the selection and installation of the optimum gasket per application.

- Day 1 - module 1:** Introduction to our gasket materials
- Day 2 - module 2:** Introduction to our gaskets and their proper assembly

One company - two business units:

DONIT® Gasket Sheets is a DONIT Tesnit business unit that produces high quality gasket sheets, certified by renowned industry standards. At DONIT Gasket sheets, we are focused on superior customer knowledge, on providing reliable and optimal solutions, on innovation and on excellent application engineering.

PRODUCT MATERIAL RANGE
